

# BENICIA ART WALK

**Second Saturdays  
3:00pm - 7:00pm  
April - October**

Boasting one of the most active arts communities in the Bay Area, Benicia is home to over 200 artists, including painters, sculptors, stained and blown glass artists, printmakers and bookbinders, textile and ceramic artists, jewelers and multi-media artists.

Benicia Art Walk presents the opportunity to experience art in Benicia, and for visitors to enjoy the dining, shopping, music, and history that Benicia has become known for.

The Art Walk takes place in Benicia's historic downtown First Street area, from Military East to the scenic waterfront along the Carqueinez Strait. Spend the day strolling our downtown, take in some of our exciting art offerings, and take advantage of the opportunity to shop and dine, too.
