

Member Testimonials

“After relocating to Benicia 25 years ago to open my new practice, I joined the Benicia Chamber of Commerce. By immediately getting involved with committees and attending the various events, I made many friends and business contacts that continue to reward me with ongoing referrals which have equated to exponential business growth.

If you would like your voice heard, I highly recommend becoming a member of the Benicia Chamber of Commerce to everyone who does business in and around Benicia”.

“The Best Western Plus Heritage Inn has been a proud member of the Benicia Community for over 30 years now; of those 30 years, we have been members of the Benicia Chamber of Commerce. Given that we were new to the community, joining the Chamber was our first priority when opening our facility.

Professionally run, a staunch advocate and invaluable resource for local business, the Benicia Chamber of Commerce is truly a smart strategic investment for Benicia Business”.
